

# PWR Mountain - 2000 Lumens

## Description

The PWR Mountain 2000 Front Bike Light is a high powered modular light designed to flood trails with an extremely bright beam. Best suited to mountain bikers, bikepackers and trail riders, you can ride confidently with PWR Mountain lighting the way.

### No Ordinary Bike Light

PWR Mountain is part of Knog PWR Modular System, meaning you can swap light heads, mounts, and use its battery as a PWR Bank to charge any USB device.

- Extremely bright circular flood beam
- USB Rechargeable
- Waterproof with IP66 rating (storm proof)
- 6 light modes + fully customisable with Knog's Modemaker app
- USB rechargeable
- Battery can be used separately as a 10,000 mAh power bank
- Bike mount included
- Easy twist operation
