

PWR Road - 700 Lumens

Description

The PWR Road 700 is one of our best-selling 'see and be seen' lights. Designed for commuters and road cyclists that want to be seen in urban environments, as well as being able to light the way ahead on dark roads and paths. Mounting above or below your handlebar to ensure a tidy cockpit, you'll be riding confidently with PWR Road 700.

No Ordinary Front Bike Light

PWR Road is part of Knog PWR Modular System, meaning you can swap light heads, mounts, and use its battery as a PWR Bank to charge any USB device.

- A super bright 700 lumen output
- 6 light modes + customisable using Knog's Modemaker app
- Waterproof with IP66 rating (storm proof)
- Runtimes of up to 165 hrs
- USB rechargeable
- Battery can be used separately as 3,350 mAh power bank
- Easy twist operation (perfect for gloves)
- Mount above or below your handlebar
- Add the PWR Adaptor Mount & mount to any tri-prong mount (incl. Garmin, K-edge & GoPro)
