

PWR Lighthouse - 600 Lumens

Description

If you're looking at adding to your lighting solutions, the PWR Lighthouse 600L can be a cost effective way of doing just that. It outputs an elliptical style beam for broad and bright road coverage and is compatible with the PWR Modular System.

No Ordinary Lighthouse

While pre-programmed with 6 modes, you can customise these to suit your needs with Knog's Modemaker app, to control brightness, adjust runtimes and add modes.

- A powerful 600 lumen output
- Compatible with all Knog PWR Banks
- 6 light modes + customisable using Knog's Modemaker app
- Waterproof with IP66 rating (storm proof) when connected to a PWR Bank
- Runtimes of up to 200 hrs when paired with PWR Bank Small
- Easy twist operation

Light Modes

This table represents the light modes when paired with a PWR Bank Small to make a 600 lumen flashlight or bike light (additional mount required)

MODE	LUMENS	RUNTIME
Max	600	2.3 hrs
Mid	250	6.1 hrs
Stamina	65	23 hrs
Pulse	600	8 hrs
Strobe	250	35 hrs
Eco-Flash	65	165 hrs
